

# ACCELERATE

## INDUSTRIAL TRANSFORMATION

HANNOVER  
MESSE

USA

AT HANNOVER MESSE USA  
SEPTEMBER 12-17 | CHICAGO

Transform your manufacturing, focus on sustainability, and stay ahead of competitors with cost- and time-saving solutions.

### ACCESS.

The 114,000-plus square-foot exhibition area at McCormick Place's East Building will feature more than 500 companies, giving you access to new and hard to find solutions across the entire value-added supply chain.

### LEARN.

Provided by Peak Performance and the Smart Factory Institute, the Solutions Theater offers an agile space to learn directly from experts currently building smart factories that improve quality while maximizing operational efficiency.

### EXPERIENCE.

Through immersive education, networking, and business development on the trade show floor, attendees learn through interacting with the products, rather than sitting in a conference room.

### ENJOY.

The Hannover Messe USA Beer Garden features authentic German décor, food, and beverages, making it a perfect escape from the busy trade show floor to host an informal meeting.

Unlock Efficiency. Seize Potential.
